Dear Mr. Mulligan,

Happy New Year to you and to your staff at the Chronicle. The CCCCCF, Inc. is aware that many gather information regarding Community activities from the Citrus County Chronicle. With such an understanding, the CCCCCF, Inc. wishes to ask that the following informational letter to the Community be published, as editing space permits.

The CCCCCF, Inc. is submitting a summary of the status and progress of the CCCCCF, Inc., over the past year of 2015. This is a summary of our inaugural year. This communication is to ensure that the public, who do not attend the meetings, are aware of the status, progress, and plans for the CCCCCF, Inc. for 2016,

Please feel free to contact the CCCCCF, Inc. with any questions and or concerns. As you know a Chronicle reporter has attended some of the meetings, which are open to the public. These meetings are duly noticed with at least a seven day notice period to enable the public to have an awareness of such.
